Ranger completed 7 out of his last 8 Derby Stakes. Ranger had the opportunity to run Derby Stakes for 2 additional months after making the list. However, we decided to pull him once he made the list to prepare him for the Fall 2009 AKC Qualifiers and UKC Hunt Tests.

### About AKC-Licensed Field Trials for Retrievers

By [David Wallace](#) for [Working Retriever Central!](#)

AKC-Licensed Retriever Field Trials are the major leagues for working retrievers. A truly accomplished retriever excelling at this level can consistently perform at a very high level in any hunting or retrieving situation or testing to which he is exposed on a reasonably consistent basis.
